- **Real Exams:** Students learn from real SAT exams, not from tests that copy the SAT format.
- **Ability Grouping:** Students learn with others at their level to insure the most effective learning.
- **Choice:** Students select math, verbal or math and verbal courses. No time wasted on what you don't need.
- **Personal Attention:** Enrollment limited to 12 for increased learning and higher test scores.
- **Flexibility:** If you miss a class due to a scheduled conflict, the price will be adjusted when you enroll.
- **Certified Teachers:** All teachers are experts in their subject area. Students learn what they need.
- **Communication:** Materials emailed to parents and students. No excuses about lost assignments.
